**2010 FISH-tastic a Success; Winners Announced**

ROSENBERG (February 15, 2010): This year's FISH-tastic tournament, the City of Rosenberg's free annual children's fishing tournament, may have proven to be the largest ever. Held at the lake at Seabourne Creek Park on Saturday, February 6, over 160 young anglers and their parents and friends from Rosenberg and the surrounding area braved the cold, but sunny weather to take their chances on catching one of this year's prizes.

David's Tackle Box was on hand to pass out bait samples and advice during the event, while volunteers from the YMCA, Target, and Lamar and Terry High Schools National Honor Societies made sure everything ran smoothly and assisted the anglers as "Trout Team" members.

After several hours of fishing, the 2010 winners were announced including: Julie Anne Weding for the largest fish caught (9") and Haden Holcheck for the most fish caught (3), ages 4 to 6; Rebekah Jablonski, largest fish caught (10.5"), and Brianna Kieffer, most fish caught (6), ages 7 to 10; and Rikki Ferrell, largest fish caught (11") and most fish caught (12) in the 11 and up age group. After prizes were awarded for biggest and most fish caught, Parks and Recreation staff drew names for over 20 other assorted fishing-related prizes which were awarded to those still in attendance.

Generous sponsors for this year's event included: David's Tackle Box, Rapid Research (B.G. Gonzales), Fiesta, Kroger, Academy, HEB, Gander Mountain, Community Coffee, Chick-fil-A and the Texas Parks and Wildlife Department.
